HEALTH, SAFETY & ENVIRONMENT **POLICY**

Technivac fully subscribes to the importance of constantly maintaining the Health, Safety and Environmental consciousness at all levels of the organisation with the aim of creating and maintaining a safe and healthy working environment for everyone.

Consistent with this, Technivac will strive to, as practicable: -

- **Commit to continually improve HSE performance and prevention of pollution in all of its activities.**
- **Comply with all relevant Acts, Regulations and other requirements and adept standards and work practices that reflect Technivac's commitment to HSE.**
- **Ensure that Technivac employees and contractors understand their respective obligations and responsibilities on HSE and involve them in the improvement of HSE standards.**
- **Ensure adequate resources and frameworks are available for the setting of, reviewing and achievement of HSE Objectives and Targets.**
- **Communicate openly with employees, contractors, government and the community on HSE issues and contribute to the development of relevant HSE policy and regulations.**
